19) In my memorandum dated 27-4-48 in the file, for the sake of uniformity of Inspectors of the Revenue Subordinate Service, an allowance of Rs 5 per mensem was granted to the Inspectors of the Revenue Subordinate Service on a par with that of P.W.I. i.e. 30-5/2-50 + 5 C.A. by which the old grade of Rs 20-1-30 + 7-8-0 C.A. From the above it is evident that the revised grade is very liberal. On the same analogy, the Conveyance allowance of Rs 5/0/0 is fixed in the present case

75 Opinion of the Managing Committee dated 15-4-1948 approving the continuance of the temporary establishment of the Revenue Office during the year 1948-49

===

Sri T T Sharma questioned as to how long the temporary establishment was being continued and whether it could not be made permanent

The President replied that the temporary establishment was being continued year after year for the last 10 years and that a proposal was under consideration for making the establishment permanent

Sri T T Sharma continued and said that it was most unsatisfactory that even after a period of ten years the office was not able to furnish a definite opinion as to whether the establishment should be permanent or temporary and said that such temporary adjustments and reappropriations should not be continued and matters allowed to drift

The President replied that even in Government Departments temporary establishments existed and said that due care would be given in future whenever such proposals were placed before the Council
